Hilton Valley Carp Fishery
Toppesfield Road
Great Yeldham
Essex
CO9 4HB

An attractive fishery including 3 fully-stocked lakes and extensive glamping opportunities.

The Fishery is situated in the picturesque Essex Colne Valley.

In all extending to 10.90 acres.

For sale by private treaty as a whole.

Property

Hilton Valley Fishery totals an area of approximately 10.80 acres and comprises 3 lakes.

The lakes are all surrounded by wooden walkways and gravel membrane paths.

The River Colne flows through the Fishery, providing exceptional water quality for the Property, which is classified as a 'Clean Fishery'. The lakes are registered with the Centre for Environment Fisheries & Aquaculture Science (CEFAS), and come with a fish movement licence.

The existing business model relies on income derived from the coarse fishing industry. The secondary revenue stream is provided by additional on-site services, such as the glamping business.

Location

Situated 1 km south of Great Yeldham, 11 km north-west of Halstead and 11 km south-east of Haverhill.

Access

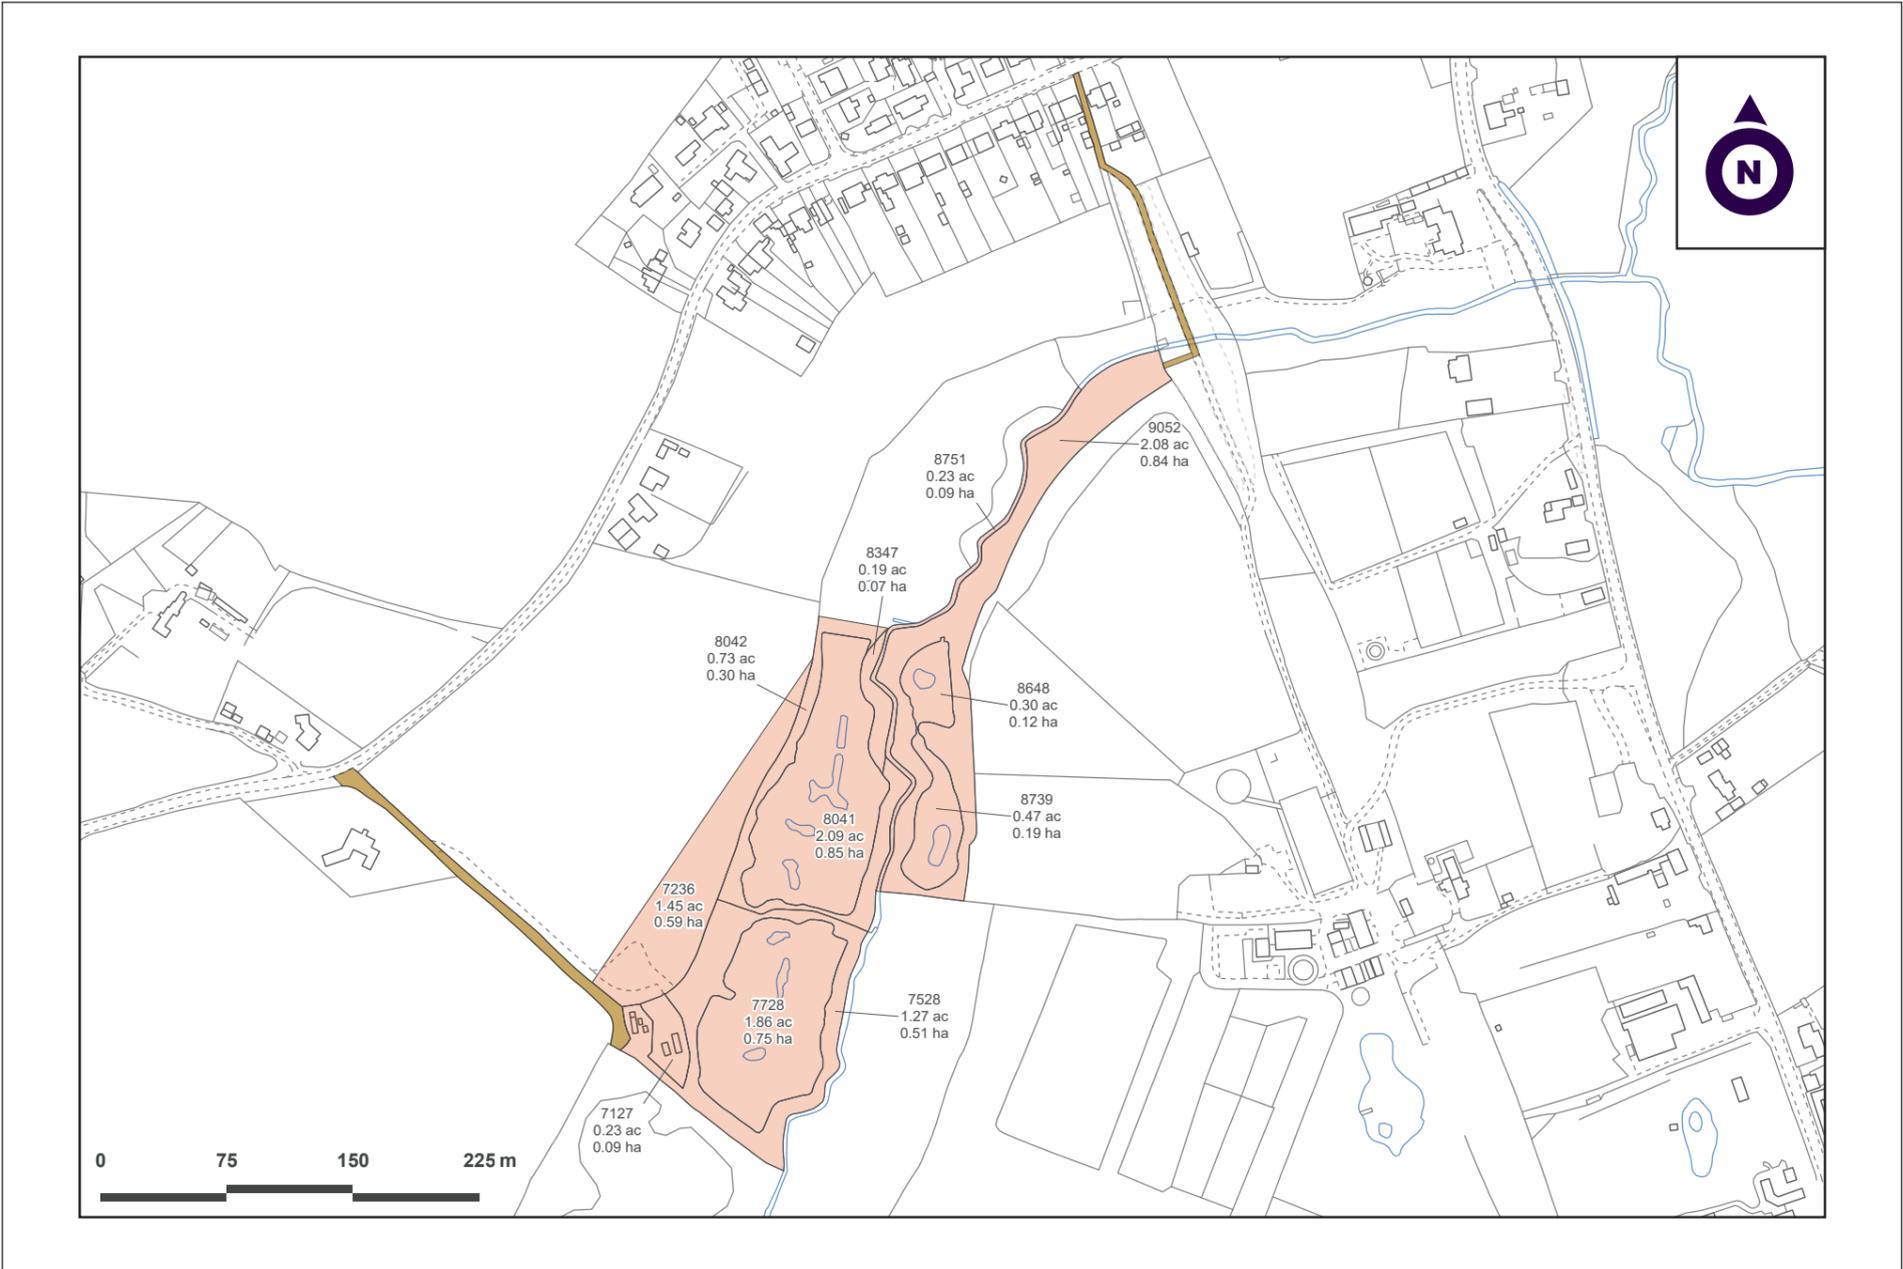

The existing primary access to the main car park is via a right of way over a 200m track which adjoins Toppesfield Road.

There is a secondary access via a right of way over an access track to the north-east of the site, circa 200m in length, also adjoining Toppesfield Road.

Buildings

There is a mobile storage shed that measures 30ft in length with a lean-to extension.

Servicing the Property is a shower block, with both male and female toilets located on-site.

Land & Lakes

Caney Lake totals 3 acres and was stocked in 2019 with carp from one of the highest graded fish farms in the UK. With 9 separate fishing pegs, the lake has been designed meticulously, boasting in the region of 60 carp.

Coblends Lake totals approximately 2 acres and holds over 150 carp fish, along with other common species such as Pike, Rudd and Roach. This includes 7 separate fishing pegs.

The final water body, named Shal's Pond, is tucked away from the main Fishery. This lake was originally dug as an irrigation reservoir approximately 120 years ago. There are exclusive pegs surrounding the water's edge, with the pond stocked with approximately 30 fish.

The rich ecosystem allows natural freshwater mussels and a variety of shrimp to flourish, which the carp in-turn thrive on.

There are attractive glamping opportunities combined with the available fishing. This presently includes 2 bell tents with the capacity for 4-5 people respectively. The glamping equipment is to be included in the sale.

Method of Sale

For sale by private treaty as a whole.

Tenure & Possession

The Property is being sold with the glamping tents, mobile storage shed, shower and W/C facilities, as well as an array of site maintenance equipment.

Overage

The Property is being sold subject to an existing overage agreement of 40% for a remaining term of 22 years, to be triggered by residential development.

Services

The site benefits from mains water and three-phase electricity supply.

Planning
