# NESTLED BETWEEN THE VALE AND THE DOWNS

CHARMING VILLAGES AND ROLLING LANDSCAPES

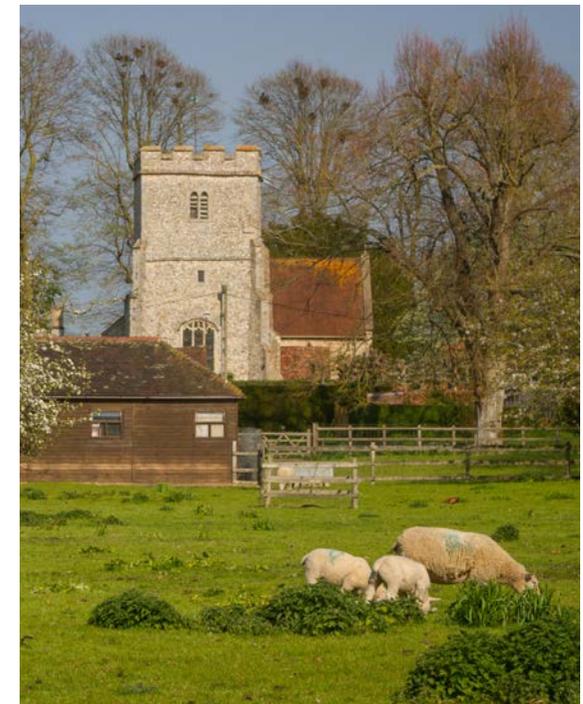

**THE PEACEFUL VILLAGES** of Aston Upthorpe and Aston Tirrold sit side by side on the northern edge of the North Wessex Downs, nestled under the escarpment below the Ridgeway.

**LOWER HAM YARD** is bounded by the chalk landscape of the Downs to the south and the quiet villages of the Vale of White Horse to the north. Close by are the many gallops of the racing stables of the Ridgeway, which itself is great for cycling and walking.

The charming Thames-side market towns of Wallingford and Abingdon-on-Thames are only a few miles away, and the many ancient footpaths, pubs and churches of the surrounding area are waiting to be explored.

The villages have a great community atmosphere, with many active local societies and clubs offering a wide range of activities. The Post Office in the village hall doubles as a popular community cafe.

Oxfordshire and Berkshire are thriving areas, economically and culturally – alive with heritage, academic life and cutting edge industries. The technological and industrial hubs at Culham, Harwell and Milton Park, the Universities in Oxford and Reading and the many research and science centres nearby make this one of the UK's most forward-looking areas for innovation.

# STYLISH NEWBUILDS IN A TRADITIONAL ENVIRONMENT

A CONTEMPORARY REIMAGINING OF A WORKING GEORGIAN FARM

**THE BARNS AT LOWER HAM YARD** is an exclusive collection of five luxury homes: two substantial five bedroom, barn-style properties and three cottages with a choice of two or three bedrooms.

These houses are designed to blend in with the local environment and is inspired by the Georgian farm that occupied the site. Along with the other new build cottages and barns on the site, the properties are arranged in a horseshoe shape to replicate the built form of a working farm from the period.

These beautiful homes are designed to be different: with well-proportioned entertaining and family spaces and good-sized gardens, they provide all the space and facilities you need, with top quality appliances and

features throughout, including the provision of super-fast fibre optic connectivity to aid effective home working. Cooking takes on a new level of enjoyment in the high quality, traditional kitchens and our contemporary bathrooms and ensembles add touches of luxury which make the start and finish of each day a pleasure, such as rainfall shower heads and full-height glazed panels.

The traditional materials we use – mellow red brick, natural slate roof tiles and charcoal weatherboarding – complement the contemporary detailing of the doors, windows and porch canopies.

**THE BARNS AT LOWER HAM YARD** are the ideal combination of the perfect location and the highest quality homes.
