Conditions of Sale

1. The Auctioneers sell as agents for the Vendor (except where they are stated wholly or partly to own any lot as principal) and as such are not personally responsible for any default by the Vendor or Purchaser.
2. Subject to the reserve price (if any) being reached, the highest bidder for any lots shall be the Purchaser, and if any dispute arises, the Auctioneers may determine the same, or the lot may be put up again and resold at their discretion.
3. The bidding at all times to be at the discretion of the Auctioneers, who reserve the right to refuse any bidding or to withdraw any lot or lots from the sale, and to sell in such order and combine lots as they think fit. No bidding shall be retracted.
4. At the fall of the hammer, each Purchaser shall upon request give to the Auctioneers his or her name and address, and pay for any lots purchased at the close of the sale.
5. No lot or lots shall be removed from the premises until paid for, but each and every lot shall, at the fall of the hammer, be considered as delivered and at the risk of the Purchaser and shall be removed from the sale field at the Purchaser's expense and taken with all faults and errors, save as hereinafter provided.
6. The Auctioneers describe each lot with care from information supplied by the Vendor or from their inspection when cataloguing but no allowance will be made for errors of description or misstatement contained in advertisements, catalogues or given verbally at or before the sale. Buyers should satisfy themselves prior to the sale of the condition of each lot.
7. Purchasers paying by cheque must be prepared, if required, to produce a letter of credit from their bankers.
8. The Auctioneers will, at the Purchaser's request, transfer lots to another Purchaser, but the original Purchaser shall not cease to be responsible for the purchase money and, in the event of default may be sued for the same.
9. No lot of any description is sold with a 'warranty' or 'condition', unless specifically mentioned at the time of sale.
10. If a Purchaser shall fail to comply with any or all of these conditions any money deposited will be forfeited and any lot which remain uncleared after the times and date specified in the General Remarks will be sold by public auction or private sale, without notice to the Purchaser, and the deficiency (if any) arising upon the resale together with interest thereon (at a rate of 20% per annum) and all costs, charges and expenses incurred shall be due as a debt by the Purchaser in default upon the first sale and be recoverable as for liquidated damages.
11. Accidents – Every person attending the sale shall be deemed to be there at their own risk and neither the Vendor nor Auctioneers will be responsible for any damage to life or limb or property, prior to or during the progress of the sale, or at any time during the removal of lots. Cars are parked entirely at the Owner's risk.
12. These conditions and all transactions shall be governed by and construed in accordance with English law.
