Ashley is a quintessential and picturesque village, just 4 miles East of the infamous horse racing town Newmarket. The village benefits from many local amenities including restaurant, pub, village shop and a church. Nearby primary schools include Cheveley (1.9 miles) Moulton (3.5 miles) and the village is also in the catchment area for one of East Cambridgeshire's most sought after secondary schools, Bottisham Village College.

## Local area

For the larger scale amenities, Newmarket offers both state and independent schools, supermarkets, hotels, shopping precinct, restaurants and many leisure facilities, as well as a train station running services to Cambridge where there are direct lines to London. Stansted International Airport is approximately 40 minutes' drive.

There is also excellent road links to the A14 and A11 for the University City of Cambridge and market town of Bury St Edmunds, both of which are rich in history and offer extensive amenities.
