Materials

Careful choice of fixtures and fittings, craftsmanship and superior finishes complete the look and feel of each property.

LIGHT & BRIGHT

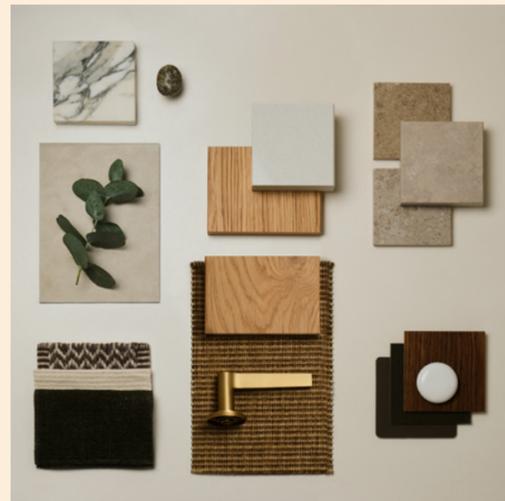

PALETTE 1

A bright and minimal aesthetic balancing whites with pale natural timbers and soft-grey tones. Bleached oak floors and woven bedroom carpet enhance the sense of spaciousness. Kitchens are designed in matt lacquered white with solid terrazzo worktops and splashbacks. Bathrooms feature large-scale Domus tiles in soft-greys, solid countertops and mirrored vanity storage. Ironmongery in brushed steel ensures an understated and contemporary aesthetic.

WARM & NATURAL

PALETTE 2

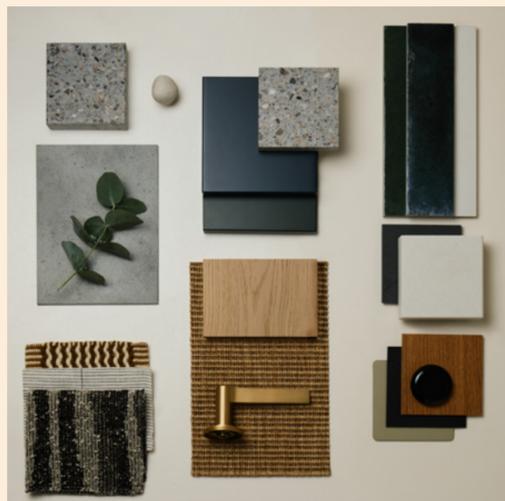

A warm and textured palette combining off-whites with warm oak tones and natural stone. European oak wide-plank floors and textured carpet give these apartments a layered and tactile feel. Natural oak veneer kitchen doors are paired with solid composite countertops and splashbacks. Bathrooms are designed with natural limestone as well as brushed brass hardware, capturing a warm and sophisticated look.

STONE & TEXTURE

PALETTE 3

Bold and striking, this palette showcases a playful combination of varying colours and contrasting materials. A backdrop of white walls and pale oak floors is offset by playful design details. Kitchens feature matt lacquered doors in blues and greens with solid terrazzo worktops and splashbacks in hand-glazed tiles. Bathrooms feature natural slate floors and coloured metro wall tiles. A strong design aesthetic permeates the space whilst creating a calming and understated look.
