DESCRIPTION

Elm Tree House is an attractive and substantial five-bedroom family house located in the heart of the desirable village of Chiseldon.

From the moment you enter the property, you are struck by the fantastic proportions and high ceilings that are evident throughout. This is only enhanced given the great natural light which flows through the property, making it a truly stunning family home.

Of particular note is the impressive kitchen/breakfast room which is centred around the large island and offers a great range of integrated units and appliances, plus a pantry. Leading off from the kitchen is a separate family room / snug and this offers the perfect set-up for modern day family life. There is a separate utility room which, in turn, gives access to the boiler room.

The ground floor enjoys a wealth of receptions rooms and offers wonderfully flexible accommodation. The main reception room features a recently installed log burner and is a great space in which to entertain. The ground floor living space also consists of a separate dining room (which is currently being utilised as a playroom), office and a shower room.

As you reach the first floor, you are met with a large landing off which all the rooms are accessed. The principal bedroom boasts an abundance of space and an ensuite shower room. The main guest bedroom has an ensuite shower room and there are three further double bedrooms, served by the well-appointed family bathroom.

OUTSIDE

The house is accessed via the gravel driveway which offers off-street parking for numerous vehicles. The spacious detached double garage provides extra parking and also superb extra storage space. Above the garage, and accessed via an external staircase, is a spacious studio. This offers a particularly useful and versatile additional space and has everything in place to create extra guest accommodation, a study for those working from home or a gym.

A particular feature of this stunning property is the larger than average rear garden, which is on two levels. The garden is mainly laid to lawn with well-established trees and shrubs and there's no shortage of space in which to enjoy. There is a terrace to the side of the property, perfect for alfresco dining in the warmer months. The garden is enclosed by hedging / close board fencing to side and rear and there is also a large wooden storage shed. In all about 0.44 acres.
