SITUATION

Shepherds Heath is situated opposite the open space of the Common in the very sought after village location of Chapel Row. From the house there are fantastic walks over the surrounding common and countryside as well as being within walking distance of a local public house and café. The nearest village is Upper Bucklebury which is a well-regarded village north of Thatcham and to the north east of Newbury. There is an active community here and within the village there is a pub/restaurant, primary school, church with hall and village hall. The village is surrounded by lovely countryside, much of it wooded and in the ownership of the Bucklebury estate.

DESCRIPTION

Shepherds Heath is a very individual detached chalet style property with the bedrooms arranged over both the ground and first floor. The property has been well maintained by the previous owner but is now in need of some modernisation and updating.

SITUATED IN A VERY SOUGHT AFTER LOCATION ON THE COMMON AT CHAPEL ROW AN INDIVIDUAL CHALET STYLE PROPERTY WITH A WONDERFUL LEVEL PLOT OF 0.64 ACRES WITH SCOPE FOR FURTHER DEVELOPMENT IF REQUIRED.

The house sits nicely in the centre of the plot, and therefore there is ample scope for it to be extended and improved subject to the necessary planning permissions. It offers good reception space with a large sitting room with fireplace, a separate dining room and a good size kitchen/ breakfast room with ample space for a table. Leading off the kitchen is a large utility which has a door directly into the double garage. The ground floor is completed by 2 bedrooms, and a shower room. On the first floor there is a spacious landing with an area of built in wardrobes providing a dressing area. There is a large 21' principal bedroom with a large en suite shower room.

OUTSIDE

To one side of the property is a Swedish style chalet which houses a heated swimming pool with electric safety cover, together with a shower room providing a changing area. One of the main features of Shepherds Heath is the attractive and established garden. The property is approached via an in and out drive where there is ample private off road parking, a turning area and access to the double garage. To the rear of property there are 3 storage sheds, one housing the boiler, as well as other timber sheds within the garden.
