All the properties benefit from the services of the on-site manager, an extensive care and maintenance programme, with Broadleaf overseeing all external property maintenance, gardening, cleaning and external redecorating. Socially there are regular coffee mornings plus other events and there is a popular library area. Furthermore it is possible to arrange to dine in the Dower House Nursing Home which is within the grounds. Number 6 is superbly positioned adjacent to the manager's office and main house where the function room is located. This bungalow has been much improved, and recently decorated, and offers comfortable accommodation overlooking attractive parkland gardens. A level path leads to the front door and into an L shaped hall which leads to all the rooms. There is a spacious and light living room, with a door out to the south facing patio, which adjoins the well fitted kitchen and overlooks the front path. There are 2 good bedrooms with built in cupboards plus a very practical shower room and w/c. The bungalow also offers a very efficient 24 hr Tunstall alarm system which includes wearable and strategically located property buttons. The alarm also works as a burglar alarm when the house is empty.
